

# First Love Song

Luke Bryan

Ridin' down the road listenin' to the radio  
You leaned over and you turned it up  
You said, "Baby this is it,  
The one I wanted you to hear.  
Don't it sound just like us?" Up 'til then, all I'd ever listened to was  
a little "Sweet Home...", "Tuesday's Gone,"  
and "Working Man Blues."

Chorus:

This is my first love song  
First time I felt the words  
First time I sang along  
Whenever it comes on  
I just think of you and everything you do  
You're my one, my from-now-on  
My first love song Baby I'm not who I was  
You gave me your love and it woke me up,  
made me more aware of somethin' deep inside

Somethin' that I have,

A life I want to share

And I'll rememebr this as long as I live  
Every note, every word, every single kiss

This is my first love song

First time I felt the words,

First time I sang along

Whenever it comes on,

I just think of you and everything you do

You're my one, my from now on.

My first love song Baby... (Repeat chorus) Yeah baby
