

# Why Don't You Love Me (feat. Demi Lovato)

## Hot Chelle Rae

See, I can't wake up, I'm living a nightmare  
That keeps playing over again  
Locked in a room, so hung up on you  
And you're cool just being friends  
Left on the sidelines  
Stuck at a red light  
Waiting for my time  
And I can't see  
Why don't you love me?  
Touch me, tell me I'm your everything  
The air you breathe  
Why don't you love me, baby  
Open up your heart tonight  
'Cause I could be all that you need, ohhh  
Why don't you love me?  
Why don't you love me?  
See I'm just too scared to tell you the truth  
'Cause my heart it can't take anymore  
Broken and bruised, longing for you  
And I don't know what I'm waiting for  
Left on the sidelines  
Stuck at a red light  
Waiting for my time  
So just tell me  
Why don't you love me?  
Touch me, tell me I'm your everything  
The air you breathe  
Why don't you love me baby  
Open up your heart tonight  
I could be all that you need  
Why don't you give me a reason (give me a reason)  
Please tell me the truth (please tell me the truth)  
You know that I'll keep believing  
Till I'm with you  
Why don't you love me  
Kiss me, I can feel your heart tonight  
It's killing me so  
Why don't you love me?  
Touch me, tell me I'm your everything  
The air you breathe  
And why don't you love me baby?  
Open up your heart tonight

I could be all that you need  
Why don't you love me?  
Why don't you love me?  
Why don't you love me?  
Why don't you love me?  
Why don't you love me?
