

Call My Name

Cheryl

How do you think i feel
When you call my name
You got me confused
By the way i changed
How do you think i feel
When you call my name
my name, say my name babyIt's a love you say
For the way i know
We've been apart
It's a endless circle
Of poison arrow to
My heart
Saying i, i love what
You do to me need
You to stay with me
I, i love you
To much to let goHow do you think i feel
When you call my name
You got me confused
By the way i changed
How do you think i feel
When you call my name
My name, say my name baby
How do you think i feel
When you call my name
You got me confused
By the way i changed
How do you think i feel
When you call my name
My name, say my name babyIt's the constant
Thought of my baby
Taking up my time
It's the non-stop vision
Of you that's playing
On my mind
Saying i, i love what
You do to me need
You to stay with me
I, i love you
To much to let go
How do you think i feel
When you call my name

You got me confused
By the way i changed
How do you think i feel
When you call my name
My name say my name baby
How do you think i feel
When you call my name
You got me confused
By the way i changed
How do you think i feel
When you call my name
My name say my name baby
When you call my name
When you call my name
Say my name baby
When you call my name
When you call my name
Say my name baby
