

# Save Me

## Mary Mary

(rap)

It was once upon a time not long ago  
Lived a little black boy in the middle of the ghetto  
Pretty good kid but he always found trouble  
Inner city life it ain't hard trouble  
No income in the home you find struggle  
2 years struggling it's no puzzle  
He hit the block hard and found him a hustle  
Burned the wrong bridge and now he needs muscle  
He tried to let it go but the streets don't forgive  
I guess they ain't heard of live and let live  
But after going round and round He broke it down finally found  
That only God could save hom now

(Hook)

Save me now, please save me now, save me now, please save me  
now

I'm on my knees down on the floor

You're the one I need oh Lord

Save me now

(Verse 1)

I heard the story many times before/Still I'm wondering  
How in the world did i get here?/And what i'm I doing  
Took the ring and acted like I do/Without the ceremony  
Now I got three litle ones and I'm? Hurting and I'm lonely  
Threw away my dreams whenI left school/Now I'm 22  
Never should've chosen him over You

(Hook)

(Bridge)

Take me away/I don't wanna stay here

I wanna go/Back to the beginning

To that place/Where love is forever

You and me together

Lord will you please
