

I Been That (feat. Sage the Gemini)

Show Banga

June on a beat, June on a beatHuh, quit actin' like you don't know

(Quit actin' like you don't know)

Quit actin' like you don't know

(Quit actin' like you don't know)

Quit actin' like you don't know

Quit actin' like you don't know

Quit actin' like you don't know

I been that, I been that, I been that nigga

I been that, I been that, I been that nigga

I been that, I been that, I been that nigga

I been that nigga, I been that nigga

Huh

I been that nigga since way back

Sucka shit, homie I don't play that

Your girl at the crib, make her taste that

Swear it's my time, you better face that

Quit actin' like you don't know that I'm nice

These haters they wanna be me like my

Flows be colder than colder, no ice

Want you a shawty versus a surprise

Lights camera action, know I'm taxin'

I ain't gotta worry, I be just relaxin'

I don't wait around, gotta make it happen

I just love the money cause it's so attractive

No time for that play play

I need that on way pay

This year 'round it's way way

And I'm from that bay bay

If you hear my voice then you know it's gon' mean it

Huh, quit actin' like you don't know

(Quit actin' like you don't know)

Quit actin' like you don't know

(Quit actin' like you don't know)

Quit actin' like you don't know

Quit actin' like you don't know

Quit actin' like you don't know

I been that, I been that, I been that nigga

I been that, I been that, I been that nigga

I been that, I been that, I been that nigga

I been that nigga, I been that nigga

HuhUh, I feel like most of ya'll hate me

Fly nigga, ya'll can keep the skatin'

As gettin' older takin' bitches really nothin'
 I said it cause I'm young
 While she give the that filet mignon
 Over the water, the money taught her
 I'm with a problem, and you don't gotta solve her
 I'm in the game committin' manslaughter
 How many times I gotta say I ball before I can convince Carter
 Machine gun, no Kelly
 You a fail
 Shut up felly
 Just shop, stop lookin' at the price
 Shot a (?), new telly every weekend
 And I got the baddest girl, we don't need friends
 Been that nigga, I ain't stoppin' now
 I'm so nigga, buy pills and leave the Cottonelle
 Hop off the jet and leave the pilot there
 Ya'll visit and take over, while my pilot bareHuh, quit actin' like you don't know
 (Quit actin' like you don't know)
 Quit actin' like you don't know
 (Quit actin' like you don't know)
 Quit actin' like you don't know
 Quit actin' like you don't know
 Quit actin' like you don't know
 I been that, I been that, I been that nigga
 I been that, I been that, I been that nigga
 I been that, I been that, I been that nigga
 I been that nigga, I been that nigga
 HuhI'm way too Kool like my nigga John
 I been a damn king, never won a prom
 I'm that motherfucka, you can ask your mom
 I always get played like a cd rom
 You ain't talkin' cash, homie leave me alone
 Everyday damn day, fully, we be on
 Haters starin' at me like the tv on
 I come thru, rag and my deezy on
 I feel way too flawless
 Show busy, I call it, be ballin'
 Floodin' the streets like New Orleans
 I'm from the block but be tourin'
 Bein' in one place is too borin'
 Been that guy since a little guy
 Boy I do it large, you a little fry
 I'm the one, you the middle guy
 Show busy bangin', you know I'm certifiedHuh, quit actin' like you don't know
 (Quit actin' like you don't know)
 Quit actin' like you don't know
 (Quit actin' like you don't know)
 Quit actin' like you don't know
 Quit actin' like you don't know

Quit actin' like you don't know
I been that, I been that, I been that nigga
I been that, I been that, I been that nigga
I been that, I been that, I been that nigga
I been that nigga, I been that nigga
Huh
