

# Soldier

Samantha Jade

Hmmm, hmmm  
I'm laying here in the darkness  
The middle of nowhere, there's no one in sight  
Caught in the madness, don't wanna be like this  
I'm losing my mind  
Wanna see inside your head  
What's going on in there?  
Tell me where you are so I can stop and take a breath  
Cause nothing's making sense, I don't want this to end  
Come and get me out of this mess  
I want you to stay (oh), stay (oh)  
Stay with me a little longer  
Why don't you stay? (oh), stay? (oh)  
Don't you wanna be my Soldier?  
Now, would you fight for me?  
D-d-d-die for me?  
Would wanna be with me forever?  
Why don't you stay? (oh), stay? (oh)  
Don't you wanna be my soldier? oh, oh  
You brought me out of my shell, put me under your spell  
Now I'm walking a straight line to you  
I'll never surrender  
You're my pain and pleasure all together all together  
Wanna see inside your head  
What's going on in there?  
Tell me where you are so I can stop and take a breath  
Cause nothing's making sense, I don't want this to end  
Come and get me out of this mess  
I want you to stay (oh), stay (oh)  
Stay with me a little longer  
Why don't you stay? (oh), stay? (oh)  
Don't you wanna be my Soldier?  
Now, would you fight for me?  
D-d-d-die for me?  
Would wanna be with me forever? Why don't you stay? (oh), stay? (oh)  
Don't you wanna be my soldier? oh, oh  
If only it was us against the world  
(Tell me, tell me, tell me)  
Tell me, would you stand for all the world (world, world)  
Your silence is a gun, gun, gun, gun  
Aiming at the one, one, one, one  
Who's still the same  
My love won't change Love won't change

Stay (oh), stay (oh)  
Stay with me a little longer  
Why don't you stay? (oh), stay? (oh)  
Don't you wanna be my Soldier?  
Now, would you fight for me?  
D-d-d-die for me?  
Would wanna be with me forever?  
Why don't you stay? (oh), stay? (oh) Don't you wanna be my soldier, oh, oh?  
Oh, oh, oh, yeah  
Be my soldier, soldier  
Oh, oh, oh, yeah  
But, would you die for me, die for me?  
Oh, oh, oh, yeah  
Be my soldier, soldier
