

On My Way to You

Cody Johnson

All the boats I've missed
All the hell I've caused
All the lips I've kissed
All the love I've lost
I got kicked around
I've been black and blue
On my way to you All the stars I've seen
All the songs I've sung
All the beers I've drank
All the damage done
I was just passin' time
Kinda just passin' through
On my way to you
Every curve, every ditch
Every turn, every bridge
I left behind me up in smoke
Every fork in the road
It was all worthwhile
When I finally saw you smile
Every highway, every heartbreak
Every mountain, every mile I got the radio up
Sun is goin' down
I'll take a left at the bank
And I'll head straight through town
So baby, put on that dress
A little sweet perfume
'Cause I'm on my way to you
Yeah, every curve, every ditch
Every turn, every bridge
I left behind me up in smoke
Every fork in the road
It was all worthwhile
When I finally saw you smile
Every highway, every heartbreak
Every mountain, every mile All the boats I've missed
All the hell I've caused
All the lips I've kissed
All the love I've lost
I thank God for that
I guess he always knew
I was on my way to you
On my way to you

On my way to you
