

Star Player

Suigeneris

Ayy, this is a Trademark production
And I told her I'm a risk taker, heart breaker, yeah, yeah
And I told her I'm a risk taker, heart breaker

I'ma jump all off that bench, baby, star player
I been balling since a jit, baby, they all hate it
See my diamonds, watch the glist', amen, like, "God, save me"
And I told her I'm a risk taker, heart breaker
I'ma jump all off that bench, baby, star player
I been balling since a jit, baby, they all hate it
See my diamonds, watch the glist', amen, like, "God, save me"
And you know that it goes on and on and on
And you see me walk in, new Saint Laurent
Bad lil' shawty, and she singing all my songs
Feeling lonely, so I might just take her home
Yeah, yeah, I'm a bad bitch getter
Sixteen, making six figures
And I'm posted up on the block with some real killers
You a real drip stealer, I can't even fuck with you
No fake daps, I can't even say what's up with you
She love my diamonds and pearls, she wanna travel the world
Told her now you are my girl, I like molly, how I swirl
She tried to score, that's a pick six, tried kiss me on my dick dick
On her lip lip, got my dick dick, wearing lipstick, yeah
And I told her I'm a risk taker, heart breaker
I'ma jump all off that bench, baby, star player
I been balling since a jit, baby, they all hate it
See my diamonds, watch the glist', amen, like, "God, save me"
And I told her I'm a risk taker, heart breaker
I'ma jump all off that bench, baby, star player
I been balling since a jit, baby, they all hate it
See my diamonds, watch the glist', amen, like, "God, save me"
And you know that I'm a risk taker, heart breaker
Star player, yeah, yeah, yeah
Heart breaker, risk taker
Jump all off that bench, baby girl know I'm star player
Know that I'm a risk taker, heart breaker
Jump all off that bench, baby, I'm a star player
Heart breaker, risk taker
Jump all off that bench, baby girl, you know that I'm star player
