

I Need Your Glory

James Fortune & FIYA

I need your glory
I want your glory, Less
Of me and more of you
Is what I need
Show me you glory, show
Me your power, less of me
And more of you is what I
Need So many times I tried my
Way, but all of the pain
Didn't go away I realize
That only you could give
Me this love that is so
I need you glory
I want you glory less of
Me and more of you is What I need, show me your
Glory, show me your
Power less of me and more
Of you is what I need Some many times I tried
My way But all of the pain
Didn't go away I realize
That only you could give me
This love that is so true
I need glory I want your glory
Less of me and more of you
Is what I need show me your
Glory show me your power
Less of me and more of
You is what I need
