

# Point of No Return

## Immortal Technique

Yeah... It's that real this time around  
Immortal Technique... Revolutionary Vol. 2  
It's on now motherfucker  
Lock and load This is the point of no return, I could never go back  
Life without parole, up state shackled and trapped  
Living in the hole, lookin' at the world through a crack  
But fuck that, I'd rather shoot it out and get clapped  
I've gone too far, there ain't no coming back for me  
Auschwitz gas chamber full of Zyklon-B  
Just like the Spanish exterminating Tainos  
Raping the black and Indian women, creating Latinos  
Mother fuckers made me out of self righteous hatred  
And you got yourself a virus, stuck in the Matrix  
A suicide bomber strapped and ready to blow  
Lethal injection strapped down ready to go  
Don't you understand they'll never let me live out in peace  
Concrete jungle, guerrilla war out in the streets  
Nat Turner with the sickle pitch fork and machete  
The end of the world, mother fucker you not ready  
This is the point of no return and nobody can stop it  
Malcolm Little when he knelt before Elijah Muhammad  
The comet that killed the dinosaurs, changing the earth  
They love to criticize, they always say I change for the worse  
Like prescription pills, when you misusin' them nigga  
The Templar Knights when they took Jerusalem nigga  
And figured out what was buried under Solomon's temple  
Al-Aqsa the name is not coincidental  
I know too much, the government is trying to murder me  
No coming back like cutting your wrists open vertically  
How could the serpent be purposely put in charge of the country  
Genetic engineered sickness spread amongst me  
My people are so hungry that they attack without reason  
Like a fuckin' dog ripping off the hand that feeds him  
Immortal Technique is treason to the Patriot Act  
So come and get me mother fucker cause I'm not coming back This is the point from which I  
could never return  
And if I back down now then forever I burn  
This is the point from which I could never retreat  
Cause If I turn back now there can never be peace  
This is the point from which I will die and succeed  
Living the struggle, I know I'm alive when I bleed  
From now on it can never be the same as before

Cause the place I'm from doesn't exist anymore  
This is the point of no return nigga you better believe this  
Mary Magdalene giving birth to the children of Jesus  
The evolution of the world, bloody and dramatic  
Human beings killing monkeys to conquer the planet  
The kingdoms of Africa and Mesopotamia  
Machine gunnin' your body with depleted uranium  
This is the age of microchips and titanium  
The dark side of the moon and contact with aliens  
I started out like Australians, criminal minded  
Broke into Hell, tore it down, and built a city behind it  
Southpaw, murderous methodology nigga  
Remember that I'm just a man, don't follow me nigga  
Cause once you past the point you can never go home  
You've got to face the possibility of dying alone  
So tell me mother fucker, how could you die for the throne  
When you don't even got the fuckin' heart to die for your own  
It rains acid, one day the earth will cry from a stone  
And you'll be lookin' at the world livin' inside of a dome  
Computerized humanity living inside of a clone  
This is the place where the unknown is living and real  
Wormwood to Planet X and the Seventh Seal  
Universal truth is not measured in mass appeal  
This is the last time that I kneel and pray to the sky  
Cause almost everything that I was always ever told was a lie  
This is the point from which I could never return  
And if I back down now then forever I burn  
This is the point from which I could never retreat  
Cause If I turn back now there can never be peace  
This is the point from which I will die and succeed  
Living the struggle, I know I'm alive when I bleed  
From now on it can never be the same as before  
Cause the place I'm from doesn't exist anymore
