

Girl

Destiny's Child

Take a minute girl, come sit down and tell us what's been happening
In your face I can see the pain, don't you try to convince us that you're happy
We've seen this all before, but he's taking advantage of the passion
Because we've come too far for you to feel alone You don't let him walk over your heart, I'm
telling you
Girl, I can tell you've been crying and you needing somebody to talk to
Girl, I can tell he's been lying and pretending that he's faithful and he loves you
Girl, you don't have to be hiding, don't you be ashamed to say he hurt you I'm your girl, you're
my girl, we your girls
Don't you know that we love you
See, what y'all don't know about him is I can't let him go because he needs me
It ain't really him, it's stress from his job and I ain't making it easy I know you see him bugging
most of the time
But I know deep inside, he don't mean it
It gets hard sometimes but I need my man, I don't think y'all understand, I'm telling ya
Girl, I can tell you've been crying and you needing somebody to talk to (We understand, don't
be ashamed of your friend)
Girl, I can tell he's been lying and pretending that he's faithful and he loves you (I can tell he's
been lying to you, he's not good for you)
Girl, you don't have to be hiding, don't you be ashamed to say he hurt you
I'm your girl, you're my girl, we your girls
Don't you know that we love you Girl, I can tell you've been crying (Oh girl, I can tell you been
crying)
And you needing somebody to talk to (I can see it in your eyes)
Girl, I can tell he's been lying (I can tell he's been lying)
And pretending that he's faithful and he loves you (I can see it in you) Girl, you don't have to be
hiding (I know what your feeling girl)
Don't you be ashamed to say he hurt you
I'm your girl, you're my girl, we your girls
Don't you know that we love you
Girl, take a good look at yourself
He got you going through hell
We ain't never seen ya down like this
What you mean, you don't need us to help
We known each other too well
I'm your girl, you're my girl, we your girl
And don't you know that we love you Girl, I can tell you've been crying and you needing
somebody to talk to
Girl, I can tell he's been lying and pretending that he's faithful and he loves you (I been knowin'
you since you was ten, you cannot hide from your friends, girl)
Girl, you don't have to be hiding, don't you be ashamed to say he hurt you
I'm your girl, you're my girl, we your girls

Don't you know that we love you
Girl, I can tell you've been crying and you needing somebody to talk to
Girl, I can tell he's been lying and pretending that he's faithful and he loves you
Girl, you don't have to be hiding, don't you be ashamed to say he hurt you
I'm your girl, you're my girl, we your girls
Don't you know that we love you
