

# Almost Love (24/7)

Jessica Jarrell

Race home open the door run upstairs throw my bag on the floor  
Log on two seconds Later I get a message from you saying hey baby  
Been goin crazy thinking bout you all day  
so much to tell you boy i fell the same wayCant wait to see you

Just you and I

Cuz everynight

Im think what it would be like(Chrus)

i get a rush more than a crush

almost love

makes me feel High everytime i think about us

even though we talk everyday

i still cant get enough

havent got pulse getting kinda close
