

Bury Me (feat. Maluca & Bricc Baby Shitro)

Brodinski

Damn
Bury me, bury me Bury me, bury me, bury me, bury me
Bury me, bury me
Do what you want, don't dirty me
Bury me, bury me, bury me, bury me
Bury me, bury me
Do what you want, don't dirty me
Don't dirty me Waiting for the waves, dripping in the sex
Lost in the haze, can't tell me nothing
Waiting for the waves, dripping in the sex
Lost in the haze, no, you can't tell me nothing
Bury me, bury me, bury me, bury me
Bury me, bury me
Do what you want, don't dirty me Tonight, you're my knight
Tonight, you're my knight
Tonight, you're my knight
Tonight, you're my knight
(You gon' bury me, you gon' bury me) Mojame
Mojame
Ay mi amor yo te amo tanto
Mojame Bury me, bury me, bury me, bury me
Bury me, bury me
I heard you wanna fuck on a dope boy
And that ex man was a rogue boy
Bitch, you better bury that nigga
Bury that nigga, must've killed that nigga
Cause I be in the trap, where the birds at
Treat the pussy like a pound, I'mma serve that
When I pull the shovel out, I'm tryna bury that
And I'mma kill the pussy, yeah, murder that
Ok, I reloaded, [?] so you know a nigga loaded
Spriggle, spriggle then return it
Then I fuck her 'til the morning
Staying in it 'til the sunrise
I eat the pussy from the side, lunchtime Bury me, bury me
Do what you want, don't dirty me
Do what you want, don't dirty me
