

# Better Than I Know Myself

Adam Lambert

Cold as ice  
And more bitter than a December  
Winter night  
That's how I treated you And I know that I  
I sometimes tend to lose my temper  
And I cross the line  
Yeah, that's the truth I know it gets hard sometimes  
But I could never  
Leave your side  
No matter what I say 'Cause if I wanted to go, I would have gone by now  
But I really need you near me to  
Keep my mind off the edge  
If I wanted to leave, I would have left by now  
But you're the only one that knows me  
Better than I know myself All along  
I tried to pretend it didn't matter  
If I was alone  
But deep down I know If you were gone  
For even a day, I wouldn't know which way to turn  
'Cause I'm lost without you I know it gets hard sometimes  
But I could never  
Leave your side  
No matter what I say 'Cause if I wanted to go, I would have gone by now  
But I really need you near me to  
Keep my mind off the edge  
If I wanted to leave, I would have left by now  
But you're the only one that knows me  
Better than I know myself I get kind of dark  
Let it go too far  
I can be obnoxious at times  
But try and see my heart 'Cause I need you now  
So don't let me down  
You're the only thing in this world I would die without 'Cause if I wanted to go, I would have  
gone by now  
But I really need you near me to  
Keep my mind off the edge If I wanted to leave, I would have left by now  
But you're the only one that knows me  
Better than I know myself 'Cause if I wanted to go, I would have gone by now  
But I really need you near me to  
Keep my mind off the edge If I wanted to leave, I would have left by now  
But you're the only one that knows me  
Better than I know myself
