

# For the Love of You

Whitney Houston

Hey baby  
I'm living for you Drifting on a memory  
Ain't no place I'd rather be  
Than with you, loving you Day will make the way for night  
All we need is candlelight  
And a song, soft and long Well, you'd like to think  
We're alone with a love unlike no other  
Sad to see, a new horizon  
Slowly coming into view I wanna be living  
For the love of you  
All that I'm giving  
Is for the love of you  
Lovely as a ray of sun  
That touches me  
When the morning comes  
Feels good to me, my lovin' me  
Yeah yeah yeah Smoother than a gentle breeze  
Flowing from my mind with ease  
Soft as can be  
Well, when you're loving me, ooh baby Love to be, riding the waves of your love  
Enchanted with your touch  
It seems to me, we can sail together  
In and out of mystery I wanna be living  
For the love of you  
All that I'm giving  
Is for the love of you  
Paradise, I have to think  
Can't feel as secure again  
You're the key and this I see Now and then I lose my way  
Usin' words to try  
And say what I feel Oh yeah, your love is real  
I might as well sign my name on a card  
That's been sayin' better See, time will tell  
'Cause it seems that I've done  
Just about all that I can do I wanna be living  
For the love of you  
All that I'm giving  
Is for the love of you I wanna be living  
For the love of you  
All that I'm giving  
Is for the love of you I wanna be living  
For the love of you

All that I'm giving  
Is for the love of you I wanna be living  
For the love of you  
All that I'm giving  
Is for the love of you
