

Good Form (feat. Lil Wayne)

Nicki Minaj

Eardrummers

Uh, uh, huh, uh, huh

Uh, yo, hold up, hold up

Uh, uh, uh, uh, uh Yo hold up, hold up, hold up, okay, hold up

You see a bad bitch coming, tell yo ass to hold up

I'm in that new new meeting Nunu when I roll up

I told the valet, "Park the Benz and bring the Rolls up"

Yo hold up, hold up, hold up, okay, hold up

He see me lookin' pretty every time he scroll up

Might gotta let the blicky hit you if you stroll up

Now put your hands up, it's a hold up

Run me the money

'Cause I be the baddie B, Barbie Tingz

Banging body B, everybody be on my D

Yo I gotta be in reality, suck a D if you doubted me

Back of the back, back of the back

Back of the back, back of the back

Who on Barbie D? Who on Barbie D? Everybody

Who you gotta see? Honestly, on my odyssey

I'm the baddest B, I don't even know how to speak

Hat to the hat to the back and relax, you in the back of the 'Bach
See a bitch got more coins than
a game room

So we ain't ever hatin' in TheShadeRoom

See I keep my sons in a playroom

So me and you ain't ever in the same room

I tell him eat the cookie 'cause it's good for him

And when he eat the cookie he got good form

He know I don't ever cheat because I'm good to him

Might gotta have his baby, nurses yellin' push for him

You see I let him eat the cookie 'cause it's good for him

And when he bite, he eat the cookie he got good form

He know that when I'm pullin' up I'm in a good foreign

I be like ooh he love me, ooh he love me, good form

Come on, come on, come on

I be like ooh he love me, ooh he love me, good form I slick, slick drop the top like lip slips

So he tryna smash like when the whip flips

I hit licks just to floss with this wrist

And when I leave my bitches we all say, "Kiss kiss"

I'm in that new new De Larenta, tryna land Bugs Bunny

'Cause all I want is karats and some big drug money

I'm only loyal to the niggas that'll bust guns for me

The jig up, it's a stick up, money, the money 'Cause I be the baddie B, Barbie Tingz

Bangin' body B, everybody be on my D
Yo I gotta be in reality, suck a D if you doubted me
Back of the back, back of the back
Back of the back, back of the back
Who on Barbie D? Who on Barbie D? Everybody
Who you gotta see? Honestly, on my odyssey
I'm the baddest B, I don't even know how to speak
Hat to the hat to the back and relax, you in the back of the 'BachSee a bitch get more press than
a key pad
Before you suck me off, get a knee pad
See I pull the strings like a tea bag
I'm proolly with my jeweler playin' freeze tagI tell him eat the cookie 'cause it's good for him
And when he eat the cookie he got good form
He know I don't ever cheat because I'm good to him
Might gotta have his baby, nurses yellin' push for him
You see I let him eat the cookie 'cause it's good for him
And when he bite, he eat the cookie he got good form
He know that when I'm pullin' up I'm in a good foreign
I be like ooh he love me, ooh he love me, good form
Come on, come on, come on
I be like ooh he love me, ooh he love me, good form
Come on
