

# I Was Never There

## The Weeknd & Gesaffelstein

What makes a grown man wanna cry?  
(Cry, cry, cry, cry)  
What makes him wanna take his life?  
(Yeah)  
His happiness is never real  
(Real, real, real, real)  
And mindless sex is how he feels  
Ooh, he feels When it's time, when it's time, when it's time  
It won't matter (it don't matter)  
It won't matter (matter)  
When it's time, when it's time, when it's time (time, it's time, babe)  
It won't matter (it won't matter, babe)  
It won't matter (ya)  
It was like I was never there  
(It was like I was never there)  
It was like it was more than thin air, oh  
When it's time, when it's time, when it's time, oh, baby  
It won't matter, it won't matter, baby  
(When it's time, when it's time, when it's time)  
(It won't matter, it won't matter)  
(When it's time, when it's time, when it's time)  
(It won't matter, it won't matter)  
(It was like I was never there)  
(It was like it was more than thin air)(When it's time, when it's time, when it's time)  
(It won't matter, it won't matter)  
(When it's time, when it's time, when it's time)  
(It won't matter, it won't matter)  
(When it's time, when it's time, when it's time)  
(It won't matter, it won't matter)  
Ooh, now I know what love is  
And I know it ain't you for sure  
You'd rather something toxic  
So I poison myself again, again  
'Til I feel nothing  
In my soul (in my soul)  
I'm on the edge of something breaking  
I feel my mind is slowly fadin'  
If I keep going, I won't make it  
If I keep going, I won't make it And it's all because of you  
It's all because of you  
It's all because of you  
It's all because of you

Woah, woah Don't you, baby (hey)  
It won't matter, baby  
Don't you know?  
Don't you know?  
Ooh, no
