

Be the One

Dua Lipa

I see the moon
I see the moon
I see the moon
Oh when you're looking at the Sun
Not a fool
I'm not a fool
Not a fool
No you're not fooling anyone Oh but when you're gone
When you're gone
When you're gone
Oh baby, all the lights go out
Thinking oh that, baby, I was wrong
I was wrong
I was wrong
Come back to me, baby, we can work this out
Oh baby come on, let me get to know you
Just another chance so that I can show
That I won't let you down, oh no
No I won't let you down, oh no
Cause I could be the one
I could be the one
I could be the one
I could be the one I see in blue
I see in blue
I see in blue
Oh and you see everything in red
And there's nothing that I wanna do for you
Do for you
Do for you
Oh cause you got inside my head
Oh but when you're gone
When you're gone
When you're gone
Oh baby, all the lights go out
Thinking oh that, baby, I was wrong
I was wrong
I was wrong
Come back to me, baby, we can work this out Oh baby come on, let me get to know you
Just another chance so that I can show
That I won't let you down, oh no
No I won't let you down, oh no
Cause I could be the one

I could be the one I could be the one

Be the one, be the one

Be the one, be the one

Be the one, be the one

I could be the one

Be the one, be the one

Be the one, be the one

Be the one, be the one

I could be the one

Be the one, be the one

Be the one, be the one

Be the one, be the one

Will you be mine? Oh baby come on, let me get to know you

Just another chance so that I can show

That I won't let you down, oh no

No I won't let you down, oh no

Cause I could be the one

I could be the one

I could be the one
