

Phases

ALMA & French Montana

[Intro: French Montana]

Montana

You know what it is
When you hear that haa

Alma[Chorus: Alma]

We got too drunk, we got too high

On the night we graduated

We got locked up in my bedroom

And I swear I didn't fake it

We got too drunk, we got too high

Fell in love when we were faded

Don't make this complicated

You were just one of my phases, oh yeah

[Verse 1: Alma]

I drank all the liquor

Then you gave me yours

Then we started talking

And you kinda turned me on

Telling stupid stories

Of my history

So I guess it was my fault

That I made you think of me[Pre-Chorus: Alma]

I'm sorry if I hurt you

I just don't like you like that

[Chorus: Alma]

We got too drunk, we got too high

On the night we graduated

We got locked up in my bedroom

And I swear I didn't fake it

We got too drunk, we got too high

Fell in love when we were faded

Don't make this complicated

You were just one of my phases, oh yeah[Post-Chorus: Alma]

You, you

You were just one of my phases, oh yeah

You, you

You were just one of my phases, oh yeah[Verse 2: Alma]

I kept your number

Never hit delete

But when I take too much

I just think of you and me

On the kitchen counter

On the balcony
But when I get sober
You're not the one for me[Pre-Chorus: Alma & French Montana]
I'm sorry if I hurt you
I just don't like you like that
Hey, hey
You know your boy, Montana[Verse 3: French Montana & Alma]
It was just a thang, wasn't 'bout the fame
Other last name or a 100-carat ring, and uh
I was wasted, rocks in the bracelet
Cîroq in the case
Back to them cases, front 'em to your eyes
Nothing that make shit
Big 'Hypnotize,' and uh
Spend a lifetime in one night
No the data ain't worth one byte
Trips to the valley, palm trees; Cali
For the freaks, I'm a sinner
South beach winters, and I
I don't like you like that
And I know you ain't like that
But I know we just met[Chorus: Alma]
We got too drunk, we got too high
On the night we graduated
We got locked up in my bedroom
And I swear I didn't fake it
We got too drunk, we got too high
Fell in love when we were faded
Don't make this complicated
You were just one of my phases, oh yeah[Post-Chorus: Alma]
You, you
You were just one of my phases, oh yeah
You, you
You were just one of my phases, oh yeah[Outro: Alma]
One of my, one of my, one of my phases, phases
You, you, you, you, you, you, yeah
One of my, one of my, one of my phases, phases
You, you, you, you, you, you, yeah
(You, you, you)
