Speechless

Dan + Shay

You say you'll be down in five.
The smell of your perfume
Is floating down the stairs.
You're fixing up your hair
Like you do.
I know that I'll be a mess
The second that I see you.
You won't be surprised.
It happens every time.
It's nothing new.It's always on a night like tonight.
I think that you can read my mind.
'Cause, when you look at me with those eyes,..
I'm speechless
Staring at you standing there in that dress.
What it's doing to me ain't a secret.
'Cause, watching you is all that I can do.
And, I'm speechless.
You already know that you're my weakness.
After all this time, I'm just as nervous.
Every time you walk into the room,
I'm speechless.It started when you said hello;
Just did something to me.
And, I've been in a daze,
Ever since the day that we met.
You take the breath
Out of my lungs
(I can't even fight it)
And all of the words
Out of my mouth
(Without even trying).
And, I'm speechless
Staring at you standing there in that dress.
What it's doing to me ain't a secret.
'Cause, watching you is all that I can do.
And, I'm speechless.
You already know that you're my weakness.
After all this time, I'm just as nervous.
Every time you walk into the room,
I'm speechless.Yeah, Baby.
Mmhm.It's always on a night like tonight.
I think that you can read my mind.
'Cause, when you look at me with those eyes,..I'm speechless.

You're standing there in that dress.
Girl, it ain't a secret.
Watching you is all that I can do.
Oh, I'm speechless.
You already know that you're my weakness.
After all this time, I'm just as nervous.
Every time you walk into the room,
I'm speechless.Oh, you know it, Baby.
Oh...
