

I Was Created for This

Tweet

So many times I tried to run away
I couldn't find rest cause there was no hiding place
And I heard a voice come up from deep within, say
This is who I am
I no longer can pretend And I was created for this (created for this)
Oh, I was created for this (created for this)
And I, yeah (created for this)
I was created for this (created for this)
So different I know that I don't feel it
But I'm chosen and I believe that's what it is
He gave me a song for me to tell the story
And my life's poured out only for your glory (glory, yeah) I was created for this (created for this)
Ooh, I was created for this (created for this)
I was created for this (yeah, yeah, yeah, yeah,)
I was created for this (yeah) I am persuaded
I'm gonna be all that you created me to be (be all)
I'm down in my mind, but least I'm here (yeah, yeah, yeah)
I'm gonna help someone along the way
Yeah, hey
Created for this
I was created for this
I was created for this
Ooh(da da da da da)
I was created for this
I was created
