

Take You There (Acapella)

Donnie Klang

feat. P.Diddy(P.Diddy):

Close your eyes (echo)

Relax your mind (echo)

Fantasize (echo)

Come with me (echo)(Donnie)

If you want

To go far, far

Let me take you

To the stars

The stars

(I'm goin take you there)

We don't even need

A car, a car

If you want to go

To Mars, to Mars

(I'm goin take you there)

Have you ever seen

The clouds up close?

Take a deep breath

Baby, let's go

(I'm goin take you there)

What's your desire

I'm your supplier

I'll get you higher

When you're ready to go

(Baby, let me know

Cause girl I promise

I can take you there)

(I'll take you there)

When you're ready to go

(Baby, let me know

Cause girl I promise

I can take you there)

(I'll take you there)

(I'm goin take you there)

Baby

You can play Lois Lane

When you need me

I can be your Superman

(Be your superman)

Lazy lovers

Love will let you

Spread your wings
While you're sleepin
You'll be
Calling out my name
(Donnie)
If you want
To go far, far
Let me take you
To the stars
The stars
We don't even need
A car, a car
If you want to go
To Mars, to Mars When you're ready to go?
(Baby, let me know
Cause girl I promise
I can take you there)
(I'll take you there)
When you're ready to go
(Baby, let me know
Cause girl I promise
I can take you there)
(I'll take you there)
When you're ready to go I can picture you and me
Makin love above the breeze
We'll be lying on the clouds
We don't plan on coming down
It's the place
Where we were low
Even though
The stars are gone
Let's go
Let's go, let's go (P. Diddy)
Excuse me lady
How you doin'
How my baby?
I'm just screwin
Around and crazy
Baby girl
I'm night and dayin
Appreciate you girl
Don't stop you're lovin'
Everytime you stop
The frontin
I'll pop your oven
You should in fact stay
Could be that way
Good in that way
Hood in that way

I'll be your lover
Your favorite color
We outerspacin'
We breathe each other
Your inner tension
I got the answer
I'll push you back up
It's hard to stand up
I'm yours this song
Yes, baby girl
You're fuckin' with Sean
Ride wit a dawn
Foreign languages
Let's play Pong
Take off your outfit
And lets be gone(Donnie)
Girl I got you
In the zone
In the zone
So far girl
I swear
Your mind is blown
Mind is blown
Did your heart
Just skip a beat
Skip a beat
So high up I know
It's hard to breathWhen you're
Ready to go
(Baby, let me know
Cause girl I promise
I can take you there)
(I'll take you there)
Now when you're
Ready to go
(Baby, let me know
Cause girl I promise
I can take you there)
(I'll take you there)
When you're ready to go
(I'll take you there
Don't you be scared
I'm goin take you there)
When you're ready to go
Just close your eyes
You're in for a ride
(I'm goin take you there
I'm goin take you there

B-a-b-y)
