

Ride Like That (feat. Jeremih)

Travis Porter

No no don't act like that
I know I told you I'll be right, right back
Long as you can bring that right back
I'm a give it to you like, like that
Yo nails, nails all on my back
You know Shawty I like that
Come on let me show you how to ride like that Feet white as cocaine, Shawty wet Aquafina
Know she wanna ride it I can tell by her demeanour
And me and Shawty get a real good vibe
She dripping all down her thighs
I'm a big spender you can look in my eyes
Sunroof open I can see the sky
It's just something I can't deny, I hear yo body calling me
Wanna be my private dancer, come with me to ecstasy
P so wet and she ride it like a jet ski Fly her down to Atlanta, Shawty get the best of me
No no don't act like that
I know I told you I'll be right, right back

What you doing with a back like that Bend over let me smack like that
I didn't know you can bring it down like that
As long as you do it, how we do it, when we did it
We can do it, every time when I'm in the city
Waist so skinny with a face so pretty It's your time, wanna taste your city like
Ah, ah, ah, ah she scream so loud when I hit it from the back
She fine as hell but don't know how to act
She said she never did it, never tried
She sitting there telling a motherf lie
No no don't act like that
Know I told you I'll be right, right back
Long as you can bring that right back
I'm a give it to you like, like that
Yo nails nails all on my back
You know Shawty I like that
Come on let me show you how to ride like that
Let's ride, like that
Let's ride, like that
Ri-ride
Let's ride
No no don't act like that
Know I told you I'll be right, right back
Long as you can bring that right back
I'm a give it to you like, like that
Yo nails nails all on my back
You know Shawty I like that
Come on, let me show you how to ride like that
