

Burning Love (feat. Kidepo)

Big Gigantic

We live in a cold world
We're all grown, all grown up
But between the billions I still found you
What would it take for you
To open up, open up?
Even when this is happening
We're still victorious
Usually, it won't have to be a burden
Show me your hands and I'll make you free tonight
We have the universe in our grasp
If you're in, let's begin
Watch the room ignite
This tastes sweeter than the bourbon, food to my soul
When we're together, yeah, we're missing nothing at all
You see we didn't start the fire but we're burning in love
We load up, load up, load up, load up
Load up Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Burning love (Ooh-ooh)
You'll always be my girl
You got me all torn up
Even when I'm feeling young
I still want you
What would it take for you
To need my, need my love?
One night in a million
Let's make it glorious This tastes sweeter than the bourbon, food to my soul
When we're together, yeah, we're missing nothing at all
You see we didn't start the fire but we're burning in love
We load up, load up, load up, load up
Load up Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Show me love, show me love, show me love
Show me burning love (Ooh-ooh)

Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Burning love (Ooh-ooh) Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Show me love, show me love, show me love
Show me burning love (Ooh-ooh)
Show me love, show me love, show me love
Show me burning love (Ooh-ooh) Show me love, show me love, show me love
Show me burning love
