

Get Up, Get Down, Get Funky, Get Loose

Teddy Pendergrass

Get Up, Get Down, Get Funky, Get Loose
Come on
Get Up, Get Down, Get Funky, Get Loose
Whatcha come out here for?
Whatcha come out here for?
Do you want to party?
Do you want to dance?
Come on people and come and get down, down
Down, down, down, down. I come out here to party
And party is what I'm gonna do
I done worked hard both night and day
And now it's time for me to shake it loose
Took me an hour just to get here
Do you think I'm going to stand up on the wall?
Gonna have myself a ball, do you hear me?
Have myself a ball, come on y'all. Come on Get Up, Get Down, Get Funky, Get Loose
Get Up, Get Down, Get Funky, Get Loose
Whatcha come out here for?
Whatcha come out here for?
Do you want to party? Do you want to dance?
Come on people come on and get down, down
Down, down, do, wn, down. Although this crowd is full of people
There's room enough for you and me
I can get a chance to hold you in my arms
and whisper something sweet in your ear.
When you're having fun the time just slips away
So let's make use of the moments that we share.
Let's act like we don't care, do ya hear me?
Free like a bird in the air, come on people.
Get Up, Get Down, Get Funky, Get Loose
Get Up, Get Down, Get Funky, Get Loose
Whatcha come out here for? Whatcha come out here for?
Do you want to party? Do you want to dance?
Come on people and get down, down
Down, down, down, down, down down down.
Get Up, Get Down, Get Funky, Get Loose
Get Up, Get Down, Get Funky, Get Loose Come on people
Come on! Come on clap your hands
Come on Do you feel like dancin, yeah
Do you feel like dancin?
