

That's What I Believe

Donnie McClurkin

Lord, You promised if I keep my mind on You,
You'd keep me in perfect peace(Yes you would, you'd keep me in perfect peace)With a sincere
heart if I called upon Your name
You'd never turn away from me(No, no you'd never turn away from me)Said you'd give me
everything I need(You'd give me everything i need)
I came for deliveranceDeliverance I'll receive
You said You'd deliver meAnd that's what I believeSo now every promise is mine, Lord (It's
mine)
I claim it (Oh yes, I know It's mine)By faith I receive it it's mine (It's mine)
Won't leave here like I came I'm never gonna be the same
I know (It's mine)
By faith I believe I believe (Oh yes, I know It's mine)
Reach out and receive now (It's mine)
Won't leave here like I came
I'm never gonna be the same
You can be saved just say.
I came for salvation, Lord
Salvation I'll receive
You said You would save me, Lord
And that's what I believe
I came just to hear Your wordYour word will I receive
You said You world send Your word
And that's what I believe
So down in my heart I know (It's mine)I do believe it (Oh, yes.
I know it's mine)
I heard all your promises (it's mine)
Won't leave here like I came
I'm never gonna be the same
I know, I know (It's mine)
Healing (Oh, yes.
I know it's mine)
The provision for me (It's mine)Won't leave here like I came
I'm never gonna be the same
Yes (It's mine)
You need to know (Oh yes.
I know It's mine)
Believe all the promises (It's Mine)
Won't leave here like I came
I'm never gonna be the same
Somebody help me say (It's mine)
Come on and help me say (Oh yes.
I know it's mine)

Somebody help me say (It's mine)
