

# Butterflyz

## Alicia Keys

Lately when I look into your eyes  
Baby I fly, you're the only one I need in my life  
Baby I just don't know how to describe  
How lovely you make me feel inside You give me butterflyz  
Have me flying so high in the sky  
I can't control the butterflyz  
You give me butterflies  
Have me flying so high in the sky  
I can't control the butterflyz It seemed like the likely thing  
From the start you told me yeah, I would be your queen  
But never had I imagined such a feeling  
Joy is what you bring, I wanna give you everything  
You give me butterflyz  
Have me flying so high in the sky  
I can't control the butterflyz  
You give me butterflyz  
Have me flying so high in the sky  
I can't control these butterflyz  
You and I are destiny  
I know that you were made for me I can't control it, it's drivin' me  
Takin' over me and I  
You give me butterflyz  
Got me flying so high in the sky  
I can't control the butterflyz You give me butterflyz  
Have me flying so high in the sky  
I can't control the butterflyz  
You give me butterflyz  
Got me flying so high in the sky  
I can't control, I can't control it  
You give me butterflyz  
Got me flying so high in the sky  
I can't control the butterflyz, oh no, oh no  
You give me something I just can't deny  
Something that's so real  
I just can't control the way I feel and I don't feel  
You give me something I just can't deny  
Something that's so real  
I just can't control the way I feel  
Oh I never felt like this
