

Feel Again

OneRepublic

It's been a long time coming since I've seen your face
I've been everywhere and back trying to replace
Everything that I had 'til my feet went numb
Praying like a fool that's been on the run Heart's still beating but it's not working
It's like a million dollar phone that you just can't ring
I reached out trying to love but I feel nothing
Yeah, my heart is numb But with you
I feel again
Yeah, with you
I can feel again I'm feeling better ever since you know me
I was a lonely soul but that's the old me
It's been a long time coming since I've seen your face
I've been everywhere and back trying to replace
Everything that I broke 'til my feet went numb
Praying like a fool who just shot a gun Heart still beating but it's not working
It's like a hundred thousand voices that just can't sing
I reached out trying to love but I feel nothing
Oh, my heart is numb But with you
I can feel again But with you
(I'm feeling better ever since you know me)
(I was a lonely soul but that's the old me)
(I'm feeling better ever since you know me)
I can feel again
(I was a lonely soul)
(I'm feeling better ever since you know me)
(I was a lonely soul, but that's the old me)
(I'm feeling better ever since you know me)
(I was a lonely soul, but that's the old me)
(I'm feeling better ever since you know me)
(I was a lonely soul, but that's the old me) I'm feeling better ever since you know me
I was a lonely soul but that's the old me
A little wiser now from what you've shown me
