

# Handwritten

## TINI

Could we  
Take a picture of the two of us  
and not really just of you  
so we can have a secret  
I swear that I would keep it  
just between me and you Will ya  
Tell me you love me baby whisper it  
face to face we tell the truth  
we gotta make it happen  
with so many distractions  
and I don't know if we're getting through  
do I have to say it loud  
take the time to spell it out  
if you're gonna write it down  
baby could you make it hand handwritten  
I just want to hold you close  
me and you and nothing else  
if you want to let me know  
baby could you make it hand handwritten maybe  
we could take it back to basics  
just a paper and a pen  
tape into my window  
Keep it under download  
so I can find it in the end  
when we're together let's just be there  
no thinking two n's in the bins  
no more e-mail texts and no more sneaking texts  
just wishing to be who I am  
do I have to say it loud  
take the time to spell it out  
if you're gonna write it down  
baby could you make it hand handwritten  
I just want to hold you close  
me and you and nothing else  
if you want to let me know  
baby could you make it hand handwritten  
Baby could you make it hand hand handwritten  
make it hand hand handwritten  
make it hand hand hand  
baby could you make it hand handwritten it's not your fault I know I know I know  
it's both of us I know I know I know, you know  
it's not your fault I know I know I know

it's both of us I know I know I knowdo I have to say it loud  
take the time to spell it out  
if you're gonna write it down  
baby could you make it hand handwritten  
I just want to hold you close  
me and you and nothing else  
if you want to let me know  
Baby could you make it hand handwritten  
baby could you make it hand hand handwritten  
Make it hand hand handwritten  
make it hand hand hand  
Baby could you make it hand handwrittendo I have to say it loud  
take the time to spell it out  
if you're gonna write it down  
baby could you make it hand handwritten  
I just want to hold you close  
me and you and nothing else  
if you want to let me know  
baby could you make it hand handwritten
