

Ain't Nothing Wrong With That

Robert Randolph & The Family Band

Whether it's rock and roll or old soul (It don't matter)
Disco, Calipso (It don't matter)
Suit and tie or tie-dye (It don't matter)
Snakeskins or Timberlands (It don't matter)
Tight fade or long braid (It don't matter)
Red head or brunette (It don't matter)
Breakdance, slamdance (It don't matter)
Do the jerk until it hurts
I'm tellin' you Ain't nothin' wrong with that (I'm tellin' you)
Ain't nothin' wrong with that (I'm tellin' you)
Ain't nothin' wrong with that
East or west coast (It don't matter)
Down south or up north (It don't matter)
Hollywood or in the hood (It don't matter)
Either way it's all good (It don't matter)
Block party, frat party, (It don't matter)
Backyard or boulevard (It don't matter)
Red, yellow, black or white (It don't matter)
We all gettin' down tonight
I'm tellin' you Ain't nothin' wrong with that (I'm tellin' you)
Ain't nothin' wrong with that (I'm tellin' you)
Ain't nothin' wrong with that
Ain't nothin' wrong with that. Shake it Shake it Shake it 8x I don't know but I've been told
When the music gets down in your soul
It makes you want to loose control
And there
Ain't nothin' wrong with that
Ain't nothin' wrong with that (I'm tellin' you)
Ain't nothin' wrong with that (I'm tellin' you)
Ain't nothin' wrong with that
Ain't nothin' wrong with that.
(Hollywood or in the hood. I'm tellin' you)
Ain't nothin' wrong with that.
(Suit and tie or tie-dye. I'm tellin' you)
Ain't nothin' wrong with that It don't matter
It don't matter
(Let it go)
It don't matter
(Let it go)
It don't matter
(Let it go)
It don't matter

(Let it go)
