

U B the Bass (Cataracs Remix)

Luciana

I wanna talk
I wanna talk
I wanna talk that body language
Hey!
Hey!
I wanna talk that body language
I got the tweet, tweet, tweet
Come follow me
I know where I'm headin'
It's right where you wanna be
You see, I like what you got
And I'll take you in there
So put it on, put it on, put it on
I got the beat, beat, beat
Gonna make my move
I'm gonna paint myself all over you, over you
Ain't no tomorrow, we got only tonight say
So put it on, put it on, put it on
I'll be the speaker, speaker
You be the bass
Move like Shakira, watch me throwin' them shapes
I'll be the speaker, speaker
You be the bass
I wanna talk that body language
I got the beat, beat, beat
Gonna make my move
I'm gonna paint myself all over you, over you
Ain't no tomorrow, we got only tonight say
So put it on, put it on, put it on
Ain't got tomorrow, we got only tonight
Ain't got tomorrow, we got only tonight
Ain't got tomorrow, we got only tonight
I wanna talk that body language
I'll be the speaker, speaker
You be the bass
Move like Shakira, watch me throwin' them shapes
I'll be the speaker, speaker
You be the bass
I wanna talk that body language
I'll be the speaker, speaker
You be the bass
Move like Shakira, watch me throwin' them shapes

I'll be the speaker, speaker
You be the bass
I wanna talk that body language
Ohhhhhhh.(Ain't got tomorrow we got only tonight)
Ohhhhhhh.(Ain't got tomorrow we got only tonight)
Ohhhhhhh.(Ain't got tomorrow we got only tonight)
I wanna talk that body language
Ohhhhhhh.(Ain't got tomorrow we got only tonight)
Ohhhhhhh.(Ain't got tomorrow we got only tonight)
Ohhhhhhh.(Ain't got tomorrow we got only tonight)
I wanna talk that body language
Hey!
Hey!
I wanna talk that body language
I'll be the speaker, speaker
You be the bass
Move like Shakira, watch me throwin' them shapes
I'll be the speaker, speaker
You be the bass
I wanna talk that body language
