

# Your Love's a Drug

Leighton Meester

I like it  
I want it  
The way you make my body move  
I think I'm addicted  
I'm high off everything you do  
I'm going to call you, baby  
Don't you worry about the things?  
'Cause you're all I need I become a slave to my habit  
Fiending for your love  
Gotta have it now  
You're all I need  
Your love's a drug  
Can't get enough  
Your love's a drug  
And I can't sleep  
Can't get enough  
Your love's a drug  
Your love's a drug  
Your love's a drug  
That feeling  
Rushing through my veins again  
Whenever you're leaving  
I feel withdraw all kicking in  
I going to tell you how I feel  
How I couldn't breath  
When you're not with me  
I become a slave to my habit  
Fiending for your love  
Gotta have it now You're all I need  
Your love's a drug  
Can't get enough  
Your love's a drug  
And I can't sleep  
Can't get enough  
Your love's a drug  
Your love's a drug  
Your love's a drug 'Cause I miss you when you're gone  
So right but feels so wrong  
And I need to have you all the time You're all I need  
Your love's a drug  
Can't get enough  
Your love's a drug

And I can't sleep  
Can't get enough  
Your love's a drug  
Your love's a drug You're all I need  
Your love's a drug  
Can't get enough  
Your love's a drug  
And I can't sleep  
Can't get enough  
Your love's a drug  
Your love's a drug  
Your love's a drug
