

I Shot William H. Macy

Head Automatica

Do you wanna pop pop pop?
Do you wanna click click click?
Do you wanna shoot?
Do you wanna shoot?
Do you wanna shoot?
Shoot everything you came to shoot
Do everything you came to do Yay-e-yeah
I'll put assassins in your little head yeah
Yay-e-yeah
I'll put assassins in your little head yeah
Sleeping with the enemy
Seems to get the best of me
Sleeping with the enemy Do you wanna pop pop pop?
Do you wanna click click click?
Do you wanna shoot?
Do you wanna shoot?
Do you wanna shoot? Yay-e-yeah
I'll put assassins in your little head yeah Sleeping with the enemy
Seems to get the best of me
Sleeping with the enemy
Yay-e-yeah
I'll put assassins in your little head yeah
Yay-e-yeah
I'll put assassins in your little head yeah
Yay-e-yeah
I'll put assassins in your little head yeah
Yay-e-yeah
I'll put assassins in your little head yeah
