

# Tunnel Vision

## Kodak Black

Gleeee!

SouthsideAye, Lil Metro on that beat Lil Kodak, they don't like to see you winnin'

They wanna see you in the penitentiary

I need me a lil' baby who gon' listen

Girl, I don't wanna be the one you iggin'

My mama told me: "Boy, make a decision!"

Right now I gotta keep a tunnel vision

I need me a lil' baby who gon' listen

Girl, I don't wanna be the one you iggin'

Lil Kodak, they don't like to see you winnin'

They wanna see you in the penitentiary

I need me a lil' baby who gon' listen

Girl, I don't wanna be the one you iggin'

My mama told me: "Boy, make a decision!"

Right now I gotta keep a tunnel vision They sendin' all my homies on a mission

And I ain't tryna miss out on these millions I jumped up out the Wraith, Kodak bought a Wraith

I get any girl I want, any girl I want

She want me to save the day, but I ain't got a cape She wanna see me every day, she wanna be my bae

That money make me cum, it made me fornicate Uh, I'm the shit, I need some toilet paper

Follow my player rules, then we gon' be okay

On the real I need a bih' who gon' cooperate Lil Kodak, they don't like to see you winnin'

They wanna see you in the penitentiary

I need me a lil' baby who gon' listen

Girl, I don't wanna be the one you iggin'

My mama told me: "Boy, make a decision!"

Right now I gotta keep a tunnel vision

I need me a lil' baby who gon' listen

Girl, I don't wanna be the one you iggin'

Lil Kodak, they don't like to see you winnin'

They wanna see you in the penitentiary

I need me a lil' baby who gon' listen

Girl, I don't wanna be the one you iggin' My mama told me: "Boy, make a decision!"

Right now I gotta keep a tunnel vision

They sendin' all my homies on a mission

And I ain't tryna miss out on these millions I told you niggas I'm gon' be that fuckin' nigga

Everything be good 'til you doin' better than 'em

They wanna see a nigga shot or see me in the system All you niggas out here poison like snake venom

Codeine in my liver, rockin' Balenciaga denim

I'm booted even when I'm sober, I don't need a jigga

They sendin' all my niggas on a fuckin' journey I told that baby to come over 'cause I'm fuckin'

horny

My mama told me: "Kill these niggas, son, keep it goin'!"  
I'm thug to the bone, but I'm still her baby boy  
Lil Kodak, boy they hate to see you in a foreign  
They miss when you was in that 'Yota kickin' door Lil Kodak, they don't like to see you winnin'  
They wanna see you in the penitentiary  
I need me a lil' baby who gon' listen  
Girl, I don't wanna be the one you iggin'  
My mama told me: "Boy, make a decision!"  
Right now I gotta keep a tunnel vision  
I need me a lil' baby who gon' listen  
Girl, I don't wanna be the one you iggin'  
Lil Kodak, they don't like to see you winnin'  
They wanna see you in the penitentiary  
I need me a lil' baby who gon' listen  
Girl, I don't wanna be the one you iggin'  
My mama told me: "Boy, make a decision!"  
Right now I gotta keep a tunnel vision  
They sendin' all my homies on a mission  
And I ain't tryna miss out on these millions
