Boomerang (feat. Ariana Deboo)

Watsky

I hear a little patience what a man need But bottling the feelings'll make a man bleed The words leave my mouth in a stampede Watch em galloping, breaking records for land speed My heart pumps and my lips tend to obey You're just so Bay, I hope you don't say "no way" Now that I came back around to okay And if you let me I will love you till we go grey So be my do-ray-me-fa-so-la-ti-do We'll hit El Farolito, and get a bomb burrito I try to kill my ego when your subject appears But I still think of you when I had a couple of beers I'll see you soon I got no use for a bucket of tears It seemed unlucky how we'd orbit each other for years We got our timing right and then I collided with you The wait is worth it in the moment we finally doWhat I told you maybe half was true I know neither of us have a clue I'm always coming back to you Your boo, your boomerang I know neither of us have the key But I'm telling you, you have to see How you're always coming back to me My boo, my boo, my boomerang You press my buttons like I were a Nintendo Me and her up in a permanent limbo It's like it's nothing when we're burnin the indo

The streetlights like a blur in the window I got no cause to feel I was betrayed

It's just a symptom of the of the game we played We pull the hearts out of each others' chests, pull the pins out of the hearts

And toss em back and forth like they're grenades Hot potato, hot potato, what did you do? Blow my fuckin arm off and then kiss the booboo Hit me with a shovel, and then say "I dig you" And be colder than an igloo

When you want me I don't want you, when I want you, you don't want me When I sing a tune and you sing it too then it's "womp womp" in the wrong key You always let me go and do my thang But I'm always coming back again—boomerang
