

Telling the World

Taio Cruz

Every part in my heart I'm giving out
Every song on my lips I'm singing out
Any fear in my soul I'm letting go
And anyone who ask I'll let them know She's the one, she's the one

I say it loud

She's the one, she's the one

I say it proud Ring a bell, Ring a bell

For the whole crowd

Ring a bell, Ring a bell I'm telling the world

That I've found a girl

The one I can live for

The one who deserves

Every part in my heart I'm giving out

Every song on my lips I'm singing out

Any fear in my soul I'm letting go

And anyone who ask I'll let them know She's the one, she's the one

I say it loud

She's the one, she's the one

I say it proud Ring a bell, Ring a bell

For the whole crowd

Ring a bell, Ring a bell I'm telling the world

That I've found a girl

The one I can live for

The one who deserves

To give all my life

A reason to fly

The one I can live for

A reason for life Oe oh oe oh

Yeah yeah

Oe oh oe oh

Yeah yeah

Oe oh oe oh

Yeah yeah

Oe oh oe oh

I'm telling the world

That I've found a girl

The one I can live for

The one who deserves

To give all my life

A reason to fly

The one I can live for

A reason for life

Oe oh oe oh
Yeah yeah
Oe oh oe oh
Yeah yeah
Oe oh oe oh
Yeah yeah
Oe oh oe oh
Yeah yeah
