

Bad Decisions

Ariana Grande

Boy, you know that you drive me crazy
But it's one of the things I like
Cause I know when you need it, baby
That I got that, ooh ooh
Let 'em keep, let 'em keep on talking
But it don't matter what they say
Cause you know when you hear me knocking
Gonna get that, ooh ooh I been doing stupid things
Wilder than I've ever been
You've become my favorite since
So let 'em keep, let 'em keep on talking
That's right
We got that hood love
We got that good love
We got that hot love
We got that I don't give a what love
We got that one life
Give me that all night
We got that Bonnie and Clyde love
They say it's wrong
But that's the way you turn me on
We got that hood love
We got that good love
Make me make bad
Boy, you make me make bad decisions
Bad, boy, you make me make bad decisions
No, they ain't gonna understand it
Understand what I see in you
Better know when you touch my body
That I see the truth
Let 'em keep, let 'em keep on talking
Cause I know that I got someone
Anytime that I need some danger
Gonna get that, ooh ooh I been doing stupid things
Wilder than I've ever been
You've become my favorite since
So let 'em keep, let 'em keep on talking
That's right We got that hood love
We got that good love
We got that hot love
We got that I don't give a what love
We got that one life

Give me that all night
We got that Bonnie and Clyde love
They say it's wrong
But that's the way you turn me on
We got that hood love
We got that good love
Make me make bad
Boy, you make me make bad decisions
Bad, boy, you make me make bad decisions Don't you know I ain't fucking with them good
boys?
Know you love me like ain't nobody here, boy
If you want it, boy, you got it
Ain't you ever seen a princess be a bad bitch? We got that hood love
We got that good love
We got that hot love
We got that I don't give a what love
We got that one life
Give me that all night
We got that Bonnie and Clyde love
They say it's wrong
But that's the way you turn me on
We got that hood love
We got that good love
Make me make bad
Boy, you make me make bad decisions
Bad, boy, you make me make bad decisions
Bad, boy, you make me make bad decisions
Bad, boy, you make me make bad decisions
