

Sideways

Citizen Cope

You know it ain't easy
for these thoughts here to leave me.

There are no words to describe it
in french or in english
cuz diamonds they fade
and flowers they bloom
and I'm tellin you

These feelings won't go away.They've been knocking me sideways.

They've been knocking me out late
whenever you come around me

These feelings won't go away.

They've been knockin' me sideways.

I keep thinking in a moment that
time will take them away

But these feelings won't go away

These feelings won't go away

It ain't easyfor these thoughts here to leave me.

There are no words to describe it
in french or in english.

Cuz diamonds they fade
and flowers they bloom

and I'm telling you...

These feelings won't go away.They've been knockin' me sideways.

They've been knockin' me out late
whenever you come around me.

These feelings won't go away.

They've been knockin' me sideways.

I keep thinking in a moment that
time will take them away

These feelings won't go away

They've been knockin me sideways.

I keep thinkin in a moment that
time will take them away

These feelings won't go awayThese feelings won't go awayWell, Diamonds they fade

and flowers, they bloom

and I'm telling you

and I'm telling you

that diamonds they fade

and flowers, they bloom

and I'm telling you

and I'm telling youThese feelings won't go away.

They've been knocking me sideways.

They've been knocking me out late
whenever you come around me.
These feelings won't go away.
They've been knocking me sideways.
I keep thinking in a moment that
time will take them away But these feelings won't go away
They've been knocking me sideways.
I kept thinking in a moment that
time will take them away
These feelings won't go away
These feelings won't go away
No...
These feelings won't go away
These feelings won't go away...
