Mindless Behavior

(Foreplay started four minutes twenty seconds ago)The foreplay started four minutes, twenty seconds ago

Right when you hit my blunt
Before you hop that lil body in my rari
Just know that's that shit I'm onFreaks only
If you rollin' wit' me ah yeah

Freaks only

That's the policyYou know you bad girl
But so is every chick around me

Wherever I'm at girl

Don't mean to sound cocky but it's poppin'

You do the math girl (yeah, yeah)

Chicks over here, chicks everywhere

Snuck into my room, now they all up in my bed

Tryna' get it poppin

The foreplay started four minutes, twenty seconds ago

I don't know if you can keep up

Baby if you put ya' mind to it

You'd be surprised what could go down

In my two-seater

But you ain't got a lotta' time, to choose up

You forgot I got chicks over there
