

Stand Up

David Lee Roth

She looks like Monroe
It's a good impersonation
From start to finish
It's her better side
Head over heels
Yes, he feels a strange sensation
Excedrin Headache #65 That's the trouble with love
That's the trouble with war
You never get what you came for
Stand up, stand up
The more you do it
The less you fall down
Stand up, stand up
Put your head in the clouds
And your feet on the ground
Stand up, stand up
For the time of your life
You turn it up loud
Stand up, stan up What kind of fashion
Is this flash infatuation
Is all this admiration mutual
Need no lessons
In emotiona starvation
Tat look in her eyes
Is too good to be true...
So now you got a good reason
Yeah, but you just gorra learn
It's what makes the world turn Stand up, stand up
The more you do ti
The less you fall down
Stand up, stand up
Put your head in the clouds
And your feet on the ground
Stand yp, stand up
For the time of your life
You turn it up loud
And stand up stand up
