

Is It Luck?

Primus

My socks and shoes always match
Is it luck? There's a foot at the end of each of my legs
Is it luck? Well, I can play my bass for you
Is it luck? Some gals like to kiss my face
Is it luck? Is it luck? Is it luck? x5
Is it luck, luck, luck, well is it? There was food inside your mouth today
Is it luck? Your barber cuts your hair just so
Is it luck?
Well, you can count to ten and back again
Is it luck? When the taste of sex is on your lips
Is it luck? Is it luck? Is it luck? x5 Is it luck, well is it? Cyanide works oh so fast
Is it luck? Polyester makes you sweat
Is it luck? If a graham cracker gets you off
Is it luck? Love, Love?
Is it luck? Is it luck? Is it luck? x6 Is it luck, well is it?
Said she wanted my body, not my mind.
So, I showed her my dictionary,
Showed her the words that I know,
Not quite desiring to
And how loquacious I can be
When I set my mind down to it.
But she wasn't impressed.
Oh, no, no, no, no, no, no, no, no, no, no, no!
She wasn't impressed at all
She whispered in my ear.
She whispered in my ear and she said
"Do you want to get lucky, little boy?"
Well, I smiled. Smiled and I said Is it luck? x6
Is it luck?
Luck x17 Is it luck? x4
