

# Cat Scratch Fever

## Pantera

Alright! Well I don't know where they come from  
But they sure do come  
I hope they're comin' for me  
And I don't know how they do it  
But they sure do it good  
I hope they do it for free[Chorus]  
They give me cat scratch fever  
Cat scratch fever  
Well the first time that I got it  
I was just ten years old  
Got it from some pussy next door  
Then I went and seen the doctor  
And he gave me the cure  
I think I want it some more[Repeat Chorus 2x]It's nothing dangerous  
I feel no pain  
I've got to ch-ch-change  
You know you got it when you're goin' insane  
It makes a grown man cry, cry  
Won't you make my bed  
I make the pussy purr  
With the stroke of my hand  
They know they gettin' from me  
They know just where to go  
When they need their lovin' man  
They know I do it for free[Repeat Chorus 2x]
