

Can't Help Falling in Love

Jess and Gabriel

wise man say
only fools rushin
but i cant help falling in love with you
shall i stay?
would it be a sin?
if i cant help fallin in love with you
take my hand
take my whole life too
'fore i cant help falling in love with you
wise man say
only fools rushin
but i cant help falling in love with you
shall i stay?
would it be a sin?
if i cant help falling in love with you
i cant help falling in love with you
