

I'm Sorry

Tyrese

I'm sorry, yes I am, for everything that I've done
How can I do this right, with you in my life
Even though I say I love you
I've gotta make a change in my life, baby,
I realize that you're better off without me by your side
You're a special lady and I know I'm not ready for you, oh
Chorus:
I'm sorry for, what I've done
I broke your heart, now we're apart
I'm sorry for, making you cry
I broke your heart, now I'm alone
I'm by myself
Tell me why, why I made my baby cry
I know our love you would wipe,
Should I put you through all of these changes
Nevermind all those things I said cause I, didn't mean a thing
I promised you, I only want you in my life, oh
Chorus:
I'm sorry for(I'm so sorry babe), what I've done(everything I've done to you, oh)
I broke your heart, now we're apart (now we're apart and I can't deal with it)
I'm sorry for(oh, tell me anything), making you cry(I can do to get you back)I broke your heart,
now I'm alone
I'm by myselfOh, it's hurts to move on,
cause you're all I knew,
But I must stay strong
I can't break down no more
sometimes I sit and dream of you and me again,
Oh, you have no idea, oh, of how hurt I am that I ran away
Chorus:
(The one thing I said)
I'm sorry for, (meant the world to me, oh)what I've done
I broke your heart(I'm so hurt that I did my baby wrong),
now we're apart
I'm sorry for(I'm so sorry now), making you cry(oh)
I broke your heart(how could I be), now I'm aloneChorus:
I'm sorry for, what I've done
I broke your heart, now we're apart(for ever more)
I'm sorry for, making you cry(making my baby cry, oh)
I broke your heart, now I'm alone(I don't think I'm going anywhere baby)
