

Testify to Love

[Avalon](#)

All the colors of the rainbow
All the voices of the wind
Every dream that reaches out
That reaches out to find where love begins
Every word of every story
Every star in every sky
Every corner of creation
lives to testify
For as long as I shall live I will testify to love
I'll be a witness in the silences when words are not enough
With every breath I take
I will give thanks to God above
For as long as I shall live I will testify to love
From the mountains to the valleys
From the rivers to the sea
Every hand that reaches out
Every hand that reaches out to offer peace
Every simple act of mercy
Every step to kingdom come
All the Hope in every heart will speak what love has done
For as long as I shall live I will testify
to love
I'll be a witness in the silences when words are not enough
With every breath I take
I will give thanks to God above
For as long as I shall live I will testify to love
For as long as I shall live I will testify to love
I'll be a witness in the silences when words are not enough
With every breath I take
I will give thanks to God above
For as long as I shall live I will testify to love
For as long as I shall live I will testify to love
I'll be a witness in the silences when words are not enough
With every breath I take
I will give thanks to God above
For as long as I shall live I will testify to love
For as long as I shall live I will testify to love
I'll be a witness in the silences when words are not enough
With every breath I take
I will give thanks to God above
For as long as I shall live I will testify to love
For as long as I shall live I will testify to love
I'll be a witness in the silences when words are not enough
With every breath I take
I will give thanks to God above
For as long as I shall live I will testify to love
