

# Slow Down

Nichole Nordeman

Here's to you  
You were pink or blue  
And everything I wanted  
Here's to you  
Never sleeping through  
From midnight till the morning Had to crawl  
Before you walked  
Before you ran  
Before I knew it  
You were trying to free your fingers from my hand  
'Cause you could it on your own now Somehow  
Slow down  
Won't you stay here a minute more  
I know you want to walk through the door  
But it's all too fast  
Let's make it last a little while  
I pointed to the sky and now you wanna fly  
I am your biggest fan  
I hope you know I am  
But do you think you can somehow  
Slow down Here's to you  
Every missing tooth  
Every bedtime story  
Here's to Barbie cars, light saber wars  
Sleeping in on Sunday  
Had to crawl  
Before you walked  
Before you ran  
Before I knew it  
You were teaching me  
The only thing love can  
Hold hands through it  
When it's scary, you've got me Slow down  
Won't you stay here a minute more  
I know you want to walk through the door  
But it's all too fast  
Let's make it last a little while  
I pointed to the sky and now you wanna fly  
I am your biggest fan  
I hope you know I am  
But do you think you can somehow  
Slow down Please don't roll your eyes at me

I know I'm embarrassing  
But someday you'll understand  
You'll hold a little hand  
Ask them if they can ...wouwo ooh  
cause it's all too fast  
wouwo oohI am your biggest fan  
I hope you know I am  
But do you think you can  
Somehow  
Slow down
