

Your Sister (feat. Too Short)

T.Q.

You know what?
I'm 'bout to tell you some shit that's gon' fuck you up
That's real y' ain't gon' like it
Well shit, Fuck that's the way it is check it out
I like to think back to when we spent the weekend in Cabo baby,
Your sister's boyfriend started trippin' and left her lonely
After you went to sleep - I spent the night out on the beach
Laid up on her body - how could I keep from hittin'?
And every time I came to see your house
She always kissed me in the mouth
Always stickin her tounge out when you wasn't lookin'
I wanna fuck your sister

(Chorus)

Now we been messin' round a long long time
But now I wanna fuck your sister
And I know it sounds foul but that's alright
Cause why should I have to bullshit ya'
(play wit cha)
I can't help it if she's the one that's on my mind
Everytime I'm out wit' cha
I know we messed around a long long time
But now I wanna fuck your sister
She comes to greet me when I ring your door bell
Lookin' like cavvy
She stands behind you in the kitchen - staring at me
I like to see her when she's getting out of the shower
All the things she used to tell me when you wasn't listening
Now the bridge is gonna get cha
Aint no need for us to stop messin' around I just wanna
hit it for an hour when she get out the shower
On the sink guaranteed not to make a sound
And you know you shouldn't have to be getting mad at me
I can't help it if I want that ass badly
So in the middle of the day when nowbody else is around
I'll be fucking your sister(Rap by Too Short)
It's time to wake up, control my own destiny
Can't let my addiction to her get the best of me
I ain't givin' up
And I'll never stop tryin' live it up
Cause there ain't no reason to be lyin'
So you might as well let you know
It's goin' down

You wasting time asking me when, where or how?
It's a mutual thing between me and your sister
How you gon' feel when you seeing me kiss her
Ever since she was young, I knew I would get her
Waiting this long to fuck can only make it better
It's like way back when I was tryin' to get wit' cha
I'm tryin' to keep it real girl, I ain't tryin' to bullshit ya
B-ITCH!

Too seezy up in this motherfucker
Representing all the way from East Oakland
California style
(Chorus - 2x)
