

# Lily

## Alan Walker, K-391 & Emelie Hollow

Lily was a little girl  
Afraid of the big, wide world  
She grew up within her castle walls  
Now and then she tried to run  
And then on the night with the setting sun  
She went in the woods away  
So afraid, all alone They warned her, don't go there  
There's creatures who are  
Hiding in the dark  
Then something came creeping  
It told her  
Don't you worry, just  
Follow everywhere I go  
Top over the mountains or valley low  
Give you everything you've been dreaming of  
Just let me in, ooh  
Everything you wantin' gonna be the  
Magic story you've been told  
And you'll be safe under my control  
Just let me in, ooh Just let me in, ooh She knew she was hypnotized  
And walking on cold thin ice  
Then it broke, and she awoke again Then she ran faster than  
Start screaming, "Is there someone out there?"  
Please help me, come get me  
Behind her, she can hear it say  
Follow everywhere I go  
Top over the mountains or valley low  
Give you everything you've  
Been dreaming of  
Just let me in, ooh Everything you wantin' gonna be the  
Magic story you've been told  
And you'll be safe under my control  
Just let me in, ooh  
Just let me in, ooh Ooh  
Everything you wantin' gonna be the  
Magic story you've been told  
And you'll be safe under my control  
Just let me in, ooh Follow everywhere I go  
Top over the mountains or valley low  
Give you everything you've been dreaming of  
Just let me in, ooh Then she ran faster than  
Start screaming, is there someone out there?

Please help me  
Just let me in, ooh
