

Hang On to Your Love

Sade

In heaven's name why are you walking away
Hang on to your love
In heaven's name why do you play these games
Hang on to your love Take time if you're down on luck
It's so easy to walk out on love
Take your time if the going gets tough
It's so precious So if you want it to get stronger
You'd better not let go
You gotta hold on longer
If you want your love to grow Gotta stick together
Hand in glove
Hold tight, don't fight
Hang on to your love
In heaven's name why are you walking away
Hang on to your love
In heaven's name why do you play these games
Hang on to your love Be brave when the journey is rough
It's not easy when you're in love
Don't be ashamed when the going gets tough
It's not easy don't give up If you want it to get stronger
You'd better not let go
You gotta hold on longer
If you want your love to grow Gotta stick together
Hand in glove
Hold tight, don't fight
Hang on to your love
In heaven's name why are you walking away
Hang on to your love
In heaven's name why do you play these games
Hang on to your love Da da da dee dee da
