

Dip

Tyga & Nicki Minaj

[Intro:]

I know you gonna do for the crown, right?

D.A. got that dope

Yeah, Hah[Verse 1]

First things first, I fuck, get all the money

Bitches love me, keep it hunnid

Bitches like you, 'cause you funny

Niggas ain't stunners, I'm the one It came and fuck the summer

I got a black barbie, She In to menages

I'm a fucker all night 'till I cum nothin

Sip come in, bust it, I'am not your husband

I can be your daddy, 'cause I'am a motherfucker

Fuck niggas muggin, these niggas sweet mouth

Pull my seat on her face she gon' smash like a pumpkin

Ooh she love it, do me roughin

Talk that nasty, when I squash your ekchy

[Chorus]

Can you make it dip (make it dip, make it dip, make it dip, make it dip, make it dip, make it dip)

Here baby take a sip (take a sip, take a sip, take a sip, lick your lips, lick your lips)

Yeah baby I just wanna see you dip (see you dip, make it dip, make it dip, make it dip, make it dip, make it dip)

Yeah baby take a sip (take a sip, take a sip, take a sip, take a sip, take a sip)

Yeah baby show me how you make it dip[Verse 2]

Santana bandana on the twist

Got your bitch wave, ride on my dick

90 niggas ain't shit, I ain't came back with the hits

Fresher than the pillow with the fucking me

What I said? I me, this shit is big

I came to flex, look in the mirror

Look at your ass, fuck at career

How you make a G-string just disappear

She like Bobby on the shit, I need bag

I need fits, I need cash, I need cash

I just really nigga rich, make it splash, make it splash

Don't perform what you drip

I just got one question bitch

[Chorus]

Can you make it dip (make it dip, make it dip, make it dip, make it dip, make it dip, make it dip)

Here baby take a sip (take a sip, take a sip, take a sip, lick your lips, lick your lips)

Yeah baby I just wanna see you dip (see you dip, make it dip, make it dip, make it dip, make it dip, make it dip)

Yeah baby take a sip (take a sip, take a sip, take a sip, take a sip, take a sip)

Yeah baby show me how you make it dip
Show me how you make it dip[Outro]
Show me how you make it dip (make it dip, make it dip, make it dip, make it dip, make it dip)
Yeah baby show me how you make it dip (make it dip, make it dip, make it dip, make it dip,
make it dip)
Yeah baby show me how you make it dip
